

Hi everybody!

My name is [Gesine](#) and I'm very happy and grateful to be a little part of the "[Backyard Roses Blog Tour](#)" today. I hope you enjoy this Blog Hop by Nadra Ridgeway [@ellis&higgs](#) and [Riley Blake Designs](#) and now let me show you my projects for this event ...

As I saw all these bright colors and countless flowers of the "Backyard Roses" fabric line, they feel like summer and pure happiness! So I knew I have to sew a whole quilt with this!

At the same time I was sure, to use one of Nadra's cute [pattern](#) for this! ♥ What could be better than that? – I asked myself.

So here it is!

My “Backyard Roses Quilt” is a gift for my mom ♥
and no, I have not driven it with the tractor to her *giggle*

I had to send it with the post because unfortunately the distance is much too far.

With it's 76 Inch x 53 Inch this quilt has got just the right size to cuddle under his sky- blue, meadow- green and floral- varied, while the fleece backing (100% cotton) will warm my mom as the sun itself does.

And speaking of sun rays – they came out just behind the clouds for our shoot!

yay!

Two of these paper pieced butterflies are now flying through the “Backyard Roses” of mom’s quilt.

I love working with these beautiful fabrics so much that I can't stop sewing!

I couldn't resist to sew a new bag for me!

Because, you can never have too many bags! Correct?

In my enthusiasm about these brightly colored, perfectly coordinated fabrics ♥ I made a small version of the "Maker's Tote" by [Anna Graham](#).

Anna Graham said: „This carry- all tote is for the makers, the creative, and the go- getters ... This tote will be sure to keep whatever you need close at hand and organized.” – PERFECT!

Oh yes! ♥ So true!

This interior storage for all important things is really dreamlike.

And ... take a look ... there under my big scissor ... Yay! I still have a beautiful stack of fabrics left over and I will happily continue sewing ♪ with my "Backyard Roses" by Nadra Ridgeway.

... I see a "[Reversible Mini Beach Bag](#)" and a folder envelope made of selvages and a [cute little deer](#) and some things more in the future ...

♥ But for now I wanna say THANK YOU for visiting me ♥

with kind regards

♥ Thank you dear Nadra, letting me be part of your Blog Tour ♥
It was a special treat and I had so much fun!

And here are the complete tour dates!

I can't wait to see what all of these talented makers are making!
